R&M Trucking is a full service trucking company that maintains high standards for service and customer satisfaction. Established in 1976 by Robert J. May, R&M Trucking is a successful family owned and operated business servicing the greater Chicago metropolitan area including Rockford and parts of Indiana. **We specialize in serving the Air and Ocean Freight Forwarding Industry.** In addition, we serve as a common carrier providing **Daily Direct Local Cartage Service** for T/L and LTL shipments.

R&M's fleet of 136 company owned trucks can provide a specialized transportation and logistical network at a competitive price. We employ 220 drivers who are equipped with the latest communications technology enabling us to provide immediate responses to our customer's needs. All drivers are certified to handle hazardous material and are educated in the rules of TSA, C-TPAT and OSHA regulations.

Our 100,000 square foot Customs Bonded facility with 26 docks is open 24 hours, seven days a week. This allows our Container Freight Station (CFS) to breakdown consolidations and make shipments available for pick up quickly and efficiently.

The atmosphere at R&M promotes service and growth. Taking care of customers and employees has been the secret to our success for over 30 years. Our objective is to provide a high quality cost effective local transportation network. We remain committed to customizing our services to meet our customer's individual needs.
